Press Note

Jyoti Ltd. bags Rs.100 crores orders from Power Sector

In line with company's commitment to the ever growing Power Sector of India, Power Group of Engineered Pumps & Projects Division has secured orders worth Rs. 100 crores for various power projects across India.

The orders comprise of Rs. 53 crores order for Bhavnagar Energy Corporation Limited (Govt of Gujarat Undertaking) wherein the Jyoti would be executing Electro-Mechanical and Instrumentation work for Sea Water Intake, CW and Outfall system for (2x250MW) Lignite based TPP. Jyoti will be supply Main Circulating water pump of the Power Plant for this package.

Jyoti secured another order for similar works worth Rs. 38 crores from M/s. Neyveli Lignite Corporation for Sea Water Intake & Outfall system for their (2x500MW) Tuticorin TPP. Jyoti's scope of work is Turnkey package which includes Civil, Electro-Mechanical and allied works for the project.

For both the above projects, Jyoti will supply pumps in complex metallurgy of Duplex Stainless Steel which is ideal for Sea Water application.

Another order received is from Indiabulls Power worth Rs. 11.50 Crores for their (5x270MW) Sinnar TPP at Nashik. Jyoti secured order under stiff competition from its competitors with tight completion schedule of 7 months. The scope of work includes Electro-Mechanical & Instrumentation works for Raw Water Intake system for the power project. The pumps are custom engineered for the project, wherein each Vertical Turbine pump shall be delivering water at 160mts head to power station 30Kms away.
